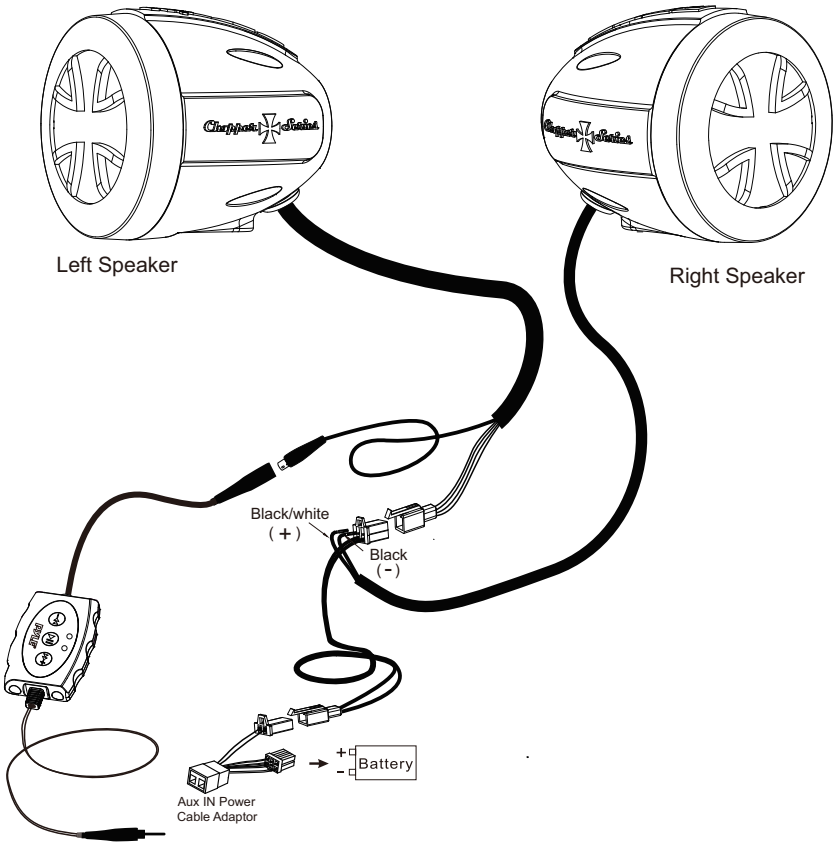
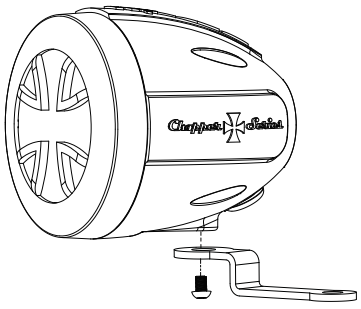
Connections



Loudspeaker Mounting Diagram



Installation

1. Screw the brackets to the bottom of the speakers.

2. Find a safe, ideal mounting location and fit the brackets over the chosen mounting bars.

3. Fasten the mounting screws after you review the safety of the mounting location

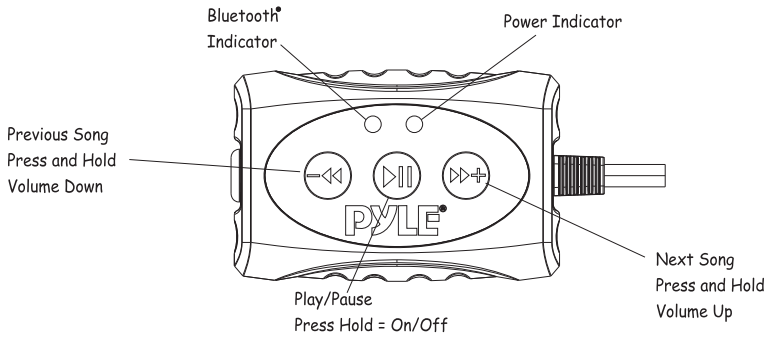
Wiring

1. Be sure to run the wiring securely and far away from any moving components.

2. Connecting the power cable to the power source:you will need to connect the 12V red wire to a (fused 5A) switched power source

3. Use the 3.5mm stereo jack to connect to you entertainment source (MP3 player,etc)

4. Use your player device and wired remote bluetooth control box to control your level of loudness.



Bluetooth Pairing and Connection:

1. Connect Bluetooth controller box to your device
2. Press and Hold >|| for three seconds until power indicator lights (red)
3. The system will automatically go into pairing mode
   The power indicator will turn red for about 7 seconds and then alternating red and blue (Bluetooth blue Power red)
   Please be sure that Bluetooth is turned on your device Select Pyle Audio on your device to connect Bluetooth controller (if the Bluetooth controller is connected the light will turn blue and not flash)
4. When the device is out of Bluetooth range, Bluetooth will be disconnected automatically and automatically reconnect when detected in range again. (If not please just repeat steps 1 and 2)
5. When Bluetooth is disconnected or the 3.5mm AUX Input is plugged in, the power indicator will glow red.

Playing Music:

1. Press >|| to start or pause the music
2. Press >>+ shortly for next track, Press and hold for Volume up
3. Press -<< shortly for previous track, Press and hold for Volume down
